 Somerset Skills & Learning**

Learning Peer Support Course

**Have you experienced barriers to learning in the past?
 Would you like to know more about the value of
 Peer Support?**

**If so, attending this course with like-minded people and
 being part of a supportive group, you will learn together
 how to access and participate in local learning activities
 and opportunities, as well gaining new tools and skills.**

**The course is FREE to adults who wish to support their mental
 wellbeing by engaging in learning**

Course Dates: Thursday 18th, 25th January and 8th, 15th February 2018
Venue: St James Church Hall, St James Street, Taunton TA1 1JS
Times: 1.00 pm to 3.30pm
Tutors: Rosie Masters and Alice Smith

Course Content
Understand the value of peer support
Learn tools to enable active participation in learning activities that support self management and recovery from mental health conditions
Recognise the benefits in peer support learning activities:- reducing feelings of isolation, improving confidence and independence, milestone setting, progression & achievement, moving on into further learning, voluntary work and job prospects.
We will explore Principles of Peer support and:- 1. Barriers to Change 2. New Ways of Learning 3. Mutuality 4. Equality and Diversity 5. Boundaries
How to form and maintain a Learning Peer Support group in your local community and progress to mentoring /supporting your peers.
To build confidence in working to your overall goals, in your own way.
